Eligibility criteria

Neither European nor third-country students can benefit from a **second scholarship for the same type of mobility under another project** under the EMA2-STRAND1. Furthermore, candidates cannot benefit from more than one mobility activity within the same project.

Mobility flows for students and staff between the European or between third-country institutions involved in the partnership are not eligible!

THIRD-COUNTRY STUDENTS

To be eligible, third-country undergraduate and master students as well as doctoral and post-doctoral candidates, referred as "third-country students":

1. Must be a national of one of the third countries covered by the relevant lot;
2. Must have not resided nor have carried out their main activity (studies, work, etc.) for more than a total of 12 months over the last five years in one of the European countries;
3. For target group 1 (TGI): students need to be registered at one of the third-country HEIs within the partnership. Undergraduate students must have successfully completed at least one year of studies in their home institution;
4. For target group 2 (TGII): students need either to be registered in a HEI (not included in the partnership) of the third country concerned by the lot or having obtained a university degree or equivalent by an institution of these third countries. They will need to justify how this study period abroad will benefit them (and their direct socio-economical environment) and include letters of support in their individual application;
5. For target group 3 (TGIII): students need to be nationals of one of the third countries concerned by the lot and be part of the vulnerable target groups.
6. Must have sufficient knowledge of the language of the courses or of one of the languages currently spoken in the hosting countries.

ACADEMIC AND ADMINISTRATIVE STAFF

In order to be eligible, academic and administrative staff hereafter referred as "staff":

1. Must be a national of one of the eligible countries;
2. Must work in or be associated to an HEI within the partnership;
3. The mobility assignments must be based on partnership agreements between the members of the partnership;
4. The home and host universities and the individual staff must agree on the programme of lectures to be delivered by the visiting staff, on the research activities or on the type of training to be followed;
5. The mobility may constitute a post-per-post exchange or a one-way visitor flow to or from a third country.

EUROPEAN STUDENTS

To be eligible, European undergraduate and master students as well as doctorate and post-doctorate candidates, referred as "European students":

Must be a national of one of the eligible European countries;

1. For Target Group 1 (TGI): students need to be registered at one of the European countries HEIs within the partnership at the time of submitting their application to the partnership. Undergraduate students must have successfully completed at least one year of studies in their home institution;
2. For Target Group 2 (TGII): **Not open in this project!**
3. For target group 3 (TGIII): **Not open in this project!**
4. Must have sufficient knowledge of the language of the courses or of one of the languages currently spoken in the hosting countries (English knowledge is requested)
5. Undergraduate students must have successfully completed at least one year of studies at first higher education level.
